AQHA papers pending, delayed as we are doing color and panel testing before she leaves us. We are calling this filly a buckskin, but there may be a variance as she does not fit normal buckskin coloring. This filly is solid built, smart and should mature 15+ hands. No white, dun stripe and markings, small chance she could roan. Papers should be in hand by sale day. Do not miss out on this excellent ranch/breeding prospect.

If you're looking for the perfect outcross mare, here she is. She's got the size, balance, and looks that will cross well on today's stallions. Lots of potential here. She cut her front foot along the coronary band as a yearling, it's fully healed but we're selling her as broodmare sound. (it doesn't affect her ability to fly across the pasture).

We have made this cross many times and they all have been good minded, big boned and footed, good withered and very athletic horses, but we can't keep them all. They are exceptional riders with a quiet disposition for trail/fun shows or bring in cattle, can also pull a cart all day. He will be as wide as he is tall. His mother is Impressive bred with the big hip. Can was raised on the farm, he is handled daily, stands tied, leads, loads in the trailer, nice mover with a great head on him. He would make an exceptional family horse. You won't be disappointed and will lots of compliments where ever you go. University of Kentucky DNA Test included. Carrying the gypsy trait, lots of feathers, and a long mane and tail.

Goldie can be pastured for months, saddle her up and she'll ride off without an issue, she's a very versatile mare and unlimited options. In March she received combination shots including West Nile, new coggins pulled, wormed, teeth and hooves all up to date as well. Vet inspected health certificate included with her paper work.

Check out this flashy guy! King is a gorgeous 44" registered Shetland Pony. He is 12 years old and has been with our family for the past 7 years. If you can name it, we've probably used King for it. He has been extensively trail ridden, hauled to a ton of fun shows, used for 4H lessons, parades, herding cattle, tracking a roping dummy, some trick riding, jumping, and also pulls a cart or a wagon. This little guy does it all! He has never foundered or had any health or lameness issues.

2018 model bay gelding, stands about 14.1 - 14.2, loads and hauls good, good flashy horse, will do anything you ask him to do, moves around nicely, has some handle on him, have had him around cows, trail rides, quick footed, easy to walk up to and catch, 100% sound. Would make a good ranch horse as he's stocky! But ready to go in any direction, he is more for experienced riders.

## LIL RED

84

3/8/2015 • GELDING • SORREL • GRADE  
OWNER: GEORGE ACREE

This is a gelding we raised and has been trained by a professional trainer for 8 months, he has been taught the basics on the ground as well as for the show ring, crosses obstacles on the trail, and started as a calf roping horse. He is only started as a calf horse, not a finished calf horse, you can rope a calf and he will work the rope. He loves being groomed, bathed, he stands for the farrier, he also loads in the trailer easy, he has had numerous stays at rodeos in large stall barns and portable outdoor pens. He is great for trail riding and could also be used for pleasure horse classes, he lopes, trots, stops and backs with a light hand. He needs a rider with a light hand and patients, he has bucked before with a young rider that was entirely to aggressive. Blind in right eye due to a cataract.

Loads, bathes, does great for farrier, trailers well, no kick or bite. Been ridden at Shawnee Forest, rides good with a group. Handles well on the ground. Easy keeper. Had teeth done recently and up to date on 5 way shot. Ramsey really loves attention and being brushed, easy to catch and will meet you at the fence.

Indy is a quiet 17 hand all around show gelding. Does it all from on the flat English (HUS, Equitation, even over fences) to rocked back Western (horsemanship, western pleasure, trail). He has a flying lead change and is a steady eddy out on the trails. Even handles our extreme trail course. Safe enough for anyone on the ground or in the saddle. He stands still for mounting, ties for hours, hauls well, clips and is good for the farrier. Had years of professional training, currently with World & Congress Champion Robert Johnson of Miller, MO.

And if you ask me, she doesn't look like an orphan anymore! She is full of energy and wants to be your buddy. She is super quick and I think she would go any direction you wanted to take her. MEC Hickory Boon is a 4 year old 15.1 hand AQHA registered gelding. Been hauled everywhere since he was a baby! Has been ridden in the arena, pasture, and trail rides. Naturally athletic, smart, curious, and cowy. I had just started him on the barrel pattern. He is very friendly which makes him easy to catch, load, and stand tied. Up to date on all vet work and is very good for the vet and farrier. HD is also eligible for the IQHA Ranch Horse Futurity. I purchased HD when he was 7 months old with a plan to sell him before I go off to college.

Owner may substitute another horse only if **original entry is injured or death occurred**. A veterinary statement must be sent to our office prior to sale for the substitution to be allowed.

If you do not have a substitution of your own, then you need to report it to the office prior to sale day. Substitutions will be handled by the sales office. You will no longer be allowed to give your numbers away.

All horses must have a negative Coggins test WITHIN one year of SALE DATE. Only ORIGINAL lab papers will be accepted. Do NOT mail your Coggins – they must accompany your horse during shipment.
